

About 7273 E Soaring Eagle Way

Beautifully appointed Serenity patio home on extra large lot has three bedrooms, three bathrooms, a den and 2 car garage.

This home is ready to move in and enjoy the resort style atmosphere of living in the Winfield gated community in north Scottsdale.

There are upgrades galore, including granite kitchen countertops, maple cabinets, upgraded white appliances including double ovens and a microwave.

Upgraded window treatments through out this lovely home consist of custom shutters, wooden blinds and decorative draperies in the living room.

Upgraded tile flooring leads from the entry way into the family room and kitchen with breakfast eating area. French door leads out to backyard with a covered patio area and is professionally landscaped, including several citrus trees.

The family room has a built-in media center, ceiling fan and a fireplace that also faces into the living room and separate dining room areas.

All bedrooms and the den are carpeted in a neutral tone and all the bedrooms have ceiling fans.

Master bedroom has French door leading to backyard with views of Winfield Mountain.

There are upgraded marble countertops in Master bathroom as well as an upgraded glass enclosed shower, large soaking bathtub and large walk in closet.

The third bedroom has its own bathroom and is perfect as a secondary master suite.

The laundry room includes storage cabinets and leads to the 2 car garage with built in storage cabinets.
